“I Have a Dream” Foundation of Boulder County motivates and empowers children from low-income communities to reach their education and career goals by providing a long-term intervention program of mentoring, tutoring, and cultural enrichment. Upon graduation from high school, each Dreamer is eligible to receive a four-year $10,000 tuition-assistance scholarship for college or vocational school.

Founded in 1990, the “I Have a Dream” Foundation of Boulder County is the 33rd affiliate of the national “I Have a Dream” model established in Harlem, New York in 1981 by founder Eugene Lang. Since then, over 200 “I Have a Dream” programs have operated in 29 states, Washington D.C., and New Zealand, collectively serving over 16,000 Dreamers.

The “I Have a Dream” Foundation of Boulder County is one of the largest affiliates in the country, sponsoring 14 Dreamer Classes and providing 771 Dreamers with wrap-around services reaching family members and guest participants to impact over 3,000 people in Boulder, Lafayette, and Longmont since our programming began.

**VISION**

The “I Have a Dream” vision is for all children to have an opportunity to earn a college degree and fully capitalize on their talents, aspirations, and dreams of having a fulfilling career and productive citizenship.
DEAR FRIENDS & SUPPORTERS

The past year has brought significant growth to “I Have a Dream” Foundation of Boulder County.

Because of your support, this past year brought significant growth to “I Have a Dream” Foundation of Boulder County. We welcomed our 14th Dreamer Class of 50 second graders at Rocky Mountain Elementary School and celebrated the high school graduation of the seniors from the Casa Class. The organization was able to strengthen its volunteer program by adding a new director of volunteers to support our 500 volunteer tutors and mentors, and expanded our college and career program to double the number of paid internships offered to help our Dreamers learn valuable employment skills. We have more partners than ever before and continue to look for ways to work together to assure that children from low-income communities succeed in school, college and career. Thank you for helping us transform lives by getting Dreamers “to and through” college!
2014 HIGHLIGHTS
Dreamers Graduate High School
With their tutors, mentors, sponsors, and “I Have a Dream” staff by their side, 100% of senior Dreamers from the Casa and Iris classes graduated from high school in 2014 and were recognized during a graduation celebration. These Dreamer graduates are now using the “I Have a Dream” tuition-assistance scholarship towards their post-secondary education. The scholarship encourages Dreamers to not give up on their education and to continue “to and through” college or vocational school.

Rocky Mountain Class Launched in Longmont
We were excited to launch a new class of 50 Dreamers in Longmont thanks to generous support pledged from donors at our breakfast and luncheon and from our Dreamer sponsors. The Rocky Mountain Class, our 14th class, held their dedication ceremony at Skyline High School, where they will be graduating from high school in 2024. The Rocky Mountain Dreamer Class holds daily after-school and summer programming at Rocky Mountain Elementary School in Longmont.

Expanding Horizons
Dreamers were introduced to a number of new places in 2014, from Washington, D.C. to California. In July, Dreamers from the Iris, Griffin, and Phoenix Classes flew with staff to our nation’s capital for the National Dreamer Conference; they attended workshops and presentations on connecting healthy bodies to healthy minds, and stayed in college dorm rooms to experience college living. In August 2014, 11 Phoenix Dreamers traveled the coast of California and toured the campuses of University of California–Davis, UC–Santa Barbara, and San Diego State University.

Sixteen of our high-school-aged Dreamers expanded their career horizons in the summer of 2014 with a six-week paid internship, which provides meaningful employment opportunities rather than the usual high school summer job. Dreamers were offered internships at the University of Colorado–Boulder (CU Boulder), Thorne Nature Experience, and Intrado. Dreamers participated in a two-day internship prep bootcamp hosted in partnership with the CU Boulder’s Office of Diversity, Equity, and Community Engagement (ODECE) where they attended presentations on public speaking, workplace etiquette, building resumes, mock interviews, and personal finances.

“I Have a Dream” Comes Full Circle
From 2013 to 2015, “I Have a Dream” welcomed Anna Moala, a Dreamer alumna from “I Have a Dream” New Zealand, as an intern working with our Phoenix Dreamers. Anna had completed one year of university studies in the field of education, and took a couple of years off to explore the U.S. and gain hands-on experience in an educational setting.

THE NEED

HIGH SCHOOL GRADUATION RATES: DREAMERS VS. LOW-INCOME for Boulder and St. Vrain Valley school districts

90% Dreamers
75% Low-Income

COLLEGE GRADUATION RATES: DREAMERS VS. LOW-INCOME for low-income students in Colorado

60% Dreamers
21% Low-Income

80% of Dreamers are first generation college students
Once a Dreamer class is sponsored, a year-round learning center is established exclusively for each Dreamer group at the students’ school or housing development. The students receive 10+ years of program support, from elementary school through high school and on through college. Through the long-term program of academic and social support, these low-income youth in Boulder County are overcoming language, cultural, and economic barriers to graduate high school, pursue higher education, and strive toward meaningful careers.

The following activities are provided during after-school and summer programming to help close the achievement and opportunity gaps, eliminate summer learning loss, increase graduation rates, and prepare Dreamers for post-secondary success:

### Academic Achievement
- Literacy proficiency through one-on-one & group activities
- Science, technology, engineering, arts, and math (STEAM) skills and hands-on activities
- Homework help and study skills
- One-on-one tutoring during daily in- and after-school program
- Study skills class in high school

94% of older Dreamers report "I Have a Dream" has made them more comfortable with STEM subjects.

### Financial Resources & Opportunity
- $10,000 scholarship for college or vocational school

85% of Dreamers attend college or another post-secondary opportunity.

### Summer Academy
- Programming to prevent summer-learning loss in math, science & literacy
- Activities that foster leadership growth, cultural enrichment, & career exploration

80% of older Dreamers spend more time reading for fun because of Dreamer programming.

### One-on-One Mentoring & Support Networks
- Long-term, positive relationships with mentors
- Diverse cultural opportunities
- Socio-emotional skill development
- Extracurricular activities and sports teams

95% of Dreamers with mentors believe they are doing better in school because of their mentor.

### Service Learning & Life Skills Workshops
- Service learning projects
- Social confidence, cultural appreciation, good citizenship, & leadership skills
- Workshops on nutrition, peer pressure, teen pregnancy prevention, & drug and alcohol prevention
- Trusting relationships between staff & Dreamers which support positive life choices

92% of Dreamers report they make positive life choices & have an adult at "I Have a Dream" whom they trust.

### College & Career Preparation & Aspiration
- Workshops to create a culture of college goal setting
- Career tours that connect school & the workforce
- Paid internships & job shadows
- College tours & hands-on guidance through the admissions & financial aid process

94% of Dreamers are aware of the requirements (financial and academic) to get into college.

### Parental Outreach & Counseling
- Parent leadership councils to increase parent involvement
- Parent meetings, home-visits & parent-teacher conferences
- Educating parents on their role in their child’s academic development
- Explaining the post-secondary process & assist with college and financial aid applications

94% of parents said they have learned new things at "I Have a Dream" parent programming.
“I Have a Dream” has a proven record of increasing high school graduation rates and college enrollment and completion for low-income youth in Boulder County, breaking the cycle of poverty in our community.

Over the past 24 years, Dreamers have attended college or vocational schools at rates considerably higher than comparable demographics. Deep socio-emotional relationships between Dreamers and staff also help keep risky behavior at lower levels than their peers. Our long-term personal and committed approach is empowering these youth to achieve educational success, gain meaningful employment, and become productive members of our Boulder County community.

“The greatest factor in helping kids rise out of poverty and dependence is education. Providing an education, either high school completion or college, to a poor child is the single most important gift one can give that will truly ‘make a difference’ to the child and society as a whole.

Providing a chance for these children to attend post-secondary school means the difference between a life of opportunity and one of hopelessness. They already know hopelessness. Now you can give them the chance to know a brighter future. The personal satisfaction from watching these children grow and thrive cannot be equaled.”

The “I Have a Dream” Foundation of Boulder County demonstrated sound fiscal management and accountability measures in 2014, as shown in the audit completed by Haynie & Company. The financial statements shown are consolidated statements that represent “I Have a Dream.” A full audit report is available upon request.

By reaching the **90% high school graduation rate** for all students in 2014, the Alliance for Excellence in Education projected that this would lead to an **economic gain of $101 million** annually.

After Carrie Hodge graduated with a BS in Education from East Carolina University, she came to Colorado for a vacation, fell in love, and decided to stay. She worked for an ambulance company before becoming an AmeriCorps member with “I Have a Dream” in 2000. After her year of service, she became a tutor for the Pioneer class and then a mentor in 2003 for a Pioneer Dreamer. She obtained her Masters in Special Education–Gifted and Talented in 2008 while working in the education system and now works from home as a site coordinator, which she enjoys especially because it allows her to continue to volunteer with the Griffin Dreamers.

“My hope for the Dreamers is they will always chase their dreams, inspire others to follow their dreams, and create new dreams when one is achieved. Education is something you can always have with you no matter where life takes you. Education opens up the door of possible.

“Serving as an AmeriCorps member was a catalyst to go back to the classroom to teach for several years. Serving as an AmeriCorps member helped me create a dream of my own of one day helping to sponsor a Dreamer. It became a reality with the Eagle class that started at Pioneer Elementary in Lafayette.”
Casa Class Dreamer Alumna Dulce Jimenez graduated from the Alexander Dawson School in 2013. That year, she began her post-secondary education at Beloit College in Wisconsin, majoring in Sociology with a double minor in Health & Society and Political Science. Dulce also studies Asian Languages and plans to study abroad in South Korea in 2016.

“I Have a Dream’ was always there for me as I was going through school. Whenever I needed them, whether for academic or personal reasons, I could always contact them, which really helped me grow and develop as a student. If I needed academic support they would be sure to provide me with a tutor.”

“The biggest struggle I had as a student was being at a private school without the people I had grown up with. I don’t think I would have been able to go through it without ‘I Have a Dream.’ It was nice having someone to call and let everything out. There were so many hardships in my life that I didn’t think I would be able to persevere. But thanks to ‘I Have a Dream’ and my Program Director, I realized that I couldn’t throw everything away that I had worked so hard to achieve.”

“I am really thankful for the ‘I Have a Dream’ Foundation because they helped me regain the confidence that I had lost, as well as taught me to keep striving for what I want. Thank you for giving me this wonderful opportunity and guiding me towards my dreams!”

GET INVOLVED

If you would like more information on how to get involved, please contact our Volunteer Director at 303-444-3636 x 19 or fill out a volunteer application on our website at www.ihaveadreamboulder.org.

VOLUNTEER OPPORTUNITIES:

More than 500 community members are involved in some level of volunteer assistance at "I Have a Dream" in Boulder, Lafayette, and Longmont. More help is needed in the following areas:

**Tutors:** Make a difference by helping students with their homework and study skills in a classroom setting. Tutors meet with Dreamers at least once per week at one of our learning centers, local schools, or libraries for a minimum commitment of one semester.

**Mentors:** Adult volunteer mentors support Dreamers with long-term, reliable relationships and serve as positive role models. Mentors see their Dreamer at least twice per month for a minimum one-year commitment. Training and a mentor handbook are provided.

**Tennis Instructors:** Volunteer tennis instructors teach Dreamers once a week during the fall, spring, and summer seasons.

**Board and Committee Members:** Board members serve for three-year terms to provide guidance for programming, fundraising, and financial management. Committee members commit one year to support the Board of Directors by serving on one of the event fundraising committees.

**Hosts for Job Tours, Summer Internships, and Career Presentations:** Employees and companies offer tours of their workplace, job shadowing days, and summer internships for our middle and high school Dreamers. Individuals are also needed to visit the program and speak to our Dreamers about their career/industry.
